"The generous support of Ronald McDonald House New York and Make-A-Wish Foundation fuels the unmatched care for these families who are battling with their children's life threatening disease here, at the world's finest hospitals in New York," said David Lipson, CEO of Children's Happy Faces Foundation and Senior Managing Director of Century Management Services, the event's chairman. "All of our efforts throughout the year go towards making the lives of these families an easier and more pleasant experience."

"The Children's Happy Faces Foundation's attention to detail and dedication to our mission has led to impressive results year

after year," said William T. Sullivan, President and CEO of Ronald McDonald House New York. "This year's expansion to a third course has certainly raised the bar, allowing attendees to have an experience like no other."
