

## Children's Happy Faces Foundation 10th Anniversary

On September 27th, Children's Happy Faces Foundation celebrated its 10th Year Anniversary and Century Management Team was excited to participate in this great cause yet again. The contributions go directly to support the Ronald McDonald House New York. We have been able to collect over \$4 million in donations over the last decade to help assist the families of sick children. Through continued efforts of fundraising and awareness, we are certain that we will go on making a difference in the lives of those who need support the most in our communities.

The Century Management Team is happy to have been represented as the title sponsor and is especially proud to see Mitchell Barry, President of Century and The Barry Family honored along with The May Family for their philanthropic efforts associated with the Foundation. Mr. Barry delivered an impassioned speech highlighting the impact this cause has had on many families. Additionally, our very own David Lipson, who goes above and beyond organizing the event for the last 10 years, has been honored by the Ronald McDonald House with September 27th as the "David Lipson Day". Together we can make a difference and we hope to continue to do so for many years to come!
