

CHILDREN'S HAPPY FACES FOUNDATION CHARITY GOLF OUTING

This year's Children's Happy Faces Foundation charity golf outing was its most successful ever, raising \$450,000 for Ronald McDonald House New York and the Make-A-Wish Foundation®, Hudson Valley. The annual Sleepy Hollow Country Club event featured additional foursomes at Trump National Golf Club. Golfers at both clubs joined together at Sleepy Hollow for an after-party including live band, live and silent auctions.

"It was heartwarming to see the extraordinary turnout and generosity displayed in this year's event," said David Lipson, CEO of Children's Happy Faces Foundation and Senior Managing Director, Century Management, who for the last seven years has been the Title Sponsor of the event. "Every year has been more successful than the prior one. The many children and families that ultimately benefit from this outing make me very proud, every participant and volunteer involved with our event."

"The Children's Happy Faces Foundation's annual event always reminds us to stop, reflect and enjoy being in the moment at the end of the season," said William T. Sullivan, President and CEO, Ronald McDonald House New York. "It's the same kind of joy and fulfillment that their programs bring to our families at a time when they need it most; they bring experiences that last a lifetime. We are grateful for their thoughtful support and generous giving on behalf of children battling cancer."

While 23 foursomes teed off at Trump Golf Club nearby, 28 foursomes participated in the outing at Sleepy Hollow. Sleepy

Hollow also offered a dominos tournament, tennis and horse-back riding. Both courses featured a hole-in-one winner and a chance to win a 2014 Nissan Altima and two roundtrip airline tickets.

At the conclusion of the day's activities, all participants joined in for a rousing night of entertainment on the grounds of Sleepy Hollow featuring live music provided by the Parker Reilly Band, take-a-chance raffle prizes and silent and live auctions, with items including a Maytag Washer and Dryer, NY Yankees Delta Suite 360 Tickets, King-sized DUX bed and a package for two guests to spend a special exclusive evening with New York Yankees' Mariano "The Sandman" Rivera celebrating his amazing Hall of Fame career.

In addition to Title Sponsor Century Management Services, the fundraiser was also supported by a number of notable organizations that included Platinum Sponsor National Cooperative Bank, and Gold Sponsors Efficient Combustion and Cooling Corporation, Graphic Services Bureau, Hercules Corporation and Silver Sponsors Alex Dimitrief; Daniels, Norelli, Scully and Cecere LLP; Bargold Storage Systems; Bollinger Insurance; Hess Corporation; Morgan Stanley; N.Y. Plumbing and Heating; Zurich North America, and the New York Association of Realty Managers also contributed to the day's success.
